## IPP Day at Aurora - September 25

On Friday September 25, there will be no school for students. Teachers will be working with families to review and update individualized program plans, behaviour support plans, and safety plans for students with specialized needs. This is a parent's opportunity to work with your child's teacher to create mutually agreeable plans with strategies that will support your child's success at school and at home throughout the year. Parents with scheduled meetings that day must remain masked and sanitize their hands as they move through the building. Please bring your child to the meeting where appropriate to do so, as your child's voice matters too!

## Orange Shirt Day - September 30

On Wednesday September 30, each of our schools and offices will recognise Orange Shirt Day and the impact of Residential Schools. Orange Shirt Day is a time to remember the inhumane and prejudicial treatment of First Nations children who were forced to attend Residential Schools. When Phyllis Webstad was just six years old, she was taken from her home and boarded at St. Joseph's Mission, a residential school just south of Williams Lake, British Columbia. Her experience has led to the national recognition of the orange shirt as a symbol of remembrance.

Held annually in September shortly after students return to school, we use this day to remind ourselves that each and every child matters. We show that as students, staff, and community members, that we are stronger together when we stand against racism and prejudice. We come together in a spirit of reconciliation in order to provide excellent, equitable education for all students so that they may learn and excel in all aspects of life. For more about Phyllis's story, check out this [YouTube video](#).

## Parent Advocacy Council Meeting

The first PAC meeting of the 2020-21 school year will be held Wednesday Sep 23 @ 6:30pm virtually through this [Google Meet link](#). To reduce risk of transmission to our students, staff, and parents, we ask that only the parents holding or interested in holding executive positions attend in person at the school, and encourage everyone to participate remotely wherever possible. Parents must be masked and sanitize upon entry. Send agenda items to the PAC chairperson or to [conal.donovan@nlsd.ab.ca](mailto:conal.donovan@nlsd.ab.ca).

### **Staffing Changes**

Over the past few weeks, NLPS has reassigned two teachers from Aurora Middle School to support our families who are enrolled in the [Learning Together Anywhere](#) program. We have been adjusting schedules and continue to work to ensure your child's education continues without disruption. Our class sizes and homeroom teachers remain unchanged at this time, but you may notice your child has a different teacher in one or more subject starting on Monday Sep 21. You would have received an email through School Messenger should your child's class be affected. Thank you for your patience and understanding.

## Pre-Order Lunch and Snack Cards

All lunch orders must be made by midnight on the **Saturday before** that week of school. Go to <https://nlsd.schoolcashonline.com/> to order for lunches or for concession cards. We aren't using any physical cards for our 'concession cards', so note that each **Tuesday morning**, any funds you've added to your child will be added to your child's card in the cafeteria. The snack list should be now online and will be updated accordingly. If you need to register for this service, Please Register Online:

Step 1: Go to School Cash Online

Step 2: Register by selecting the "Get Started Now" and following the steps.

Step 3: After you receive the confirmation email, please select the "click here" option, log in and add each of your children to your household account. To do this, you need your student's last name and Alberta Student Number (ASN), which is listed on their report card and on PowerSchool (in the upper left hand corner of the screen).

Step 4: If you want to receive email notifications when new fees are added, please ensure the notification box is checked in the Manage Your Notifications section. If you have any questions during the registration process or while shopping online, please select the SUPPORT option in the top right hand area of the screen.

All students must receive their food while masked and proceed to their homeroom to eat in their designated desk. The breakfast program is now running and is free to all students on a daily basis! If you have not pre-ordered by the weekly cutoff date, please send your child with a lunch and snacks.
