Report Cards and Parent Teacher Interviews

Report cards will go home with your child at the end of this week. Parent Teacher Interviews must be conducted remotely at this time, so we will be scheduling specific virtual meeting times. Connect with your child's teacher about which method of communication (Google Meet, phone call etc..) works best for both of you. The meetings will be scheduled for the evenings of Tuesday and Wednesday Nov 17 -18. If you have not heard from your teacher by the end of the week, please contact the school directly with up to date contact information.

Remembrance Day Ceremony

This year's Remembrance Day cannot be celebrated in the typical fashion of having a school-wide assembly, however, Aurora Middle School students and staff have been volunteering their time to create a commemorative video celebration to be shared with all classes at 11am on Tuesday November 10th. The video includes a student-performed national anthem, greetings from the principal, messages for our school division and municipality, artwork of students, a

student recitation of "In Flanders' Fields", and message of remembrance from a service member. Aurora students remember with reverence, respect, and gratitude. There will be no school on Wednesday Nov 11 in observance of this national day of remembrance.
