

February 22-26, 2021

Wear PINK Wednesday February 24th!

This Pink Shirt Day, our focus is working together and treating others with dignity and respect. The COVID-19 pandemic has affected us all and shown the importance of helping one another and advocating for those who need it. Help us 'lift each other up' and support programs like NLPS's [Successful Families Success Kids](#) that encourage healthy self esteem and teach empathy, compassion and kindness. Go to the [Pink Shirt Day Website](#) for more resources on bullying prevention, awareness, and spreading positivity!

Parent Feedback Requested!

To help us plan for next year, we want to know what Learning Pathways you want to see offered. Share your stories, join the discussions, or ask questions at engage.nlpsab.ca and watch for our survey to launch on Feb. 20th on the [NLPS website](#).

Look at what Thunderbirds are doing!

Winter Walk Day was an astounding success! Students snowshoed, played snowshoe games, and made apple cider to warm up! Aurora is proud to be part of [@AppleSchools](#) ! From the instructional side of things, teachers are using the fun of Escape Rooms to enhance numeracy development. This problem-solving activity is a fun, engaging way to get students to apply review of covered concepts or to challenge themselves with critical thinking! Thank you to our Parent Council for making both of these opportunities possible through their fundraising efforts!
