What are the Thunderbirds Up To?

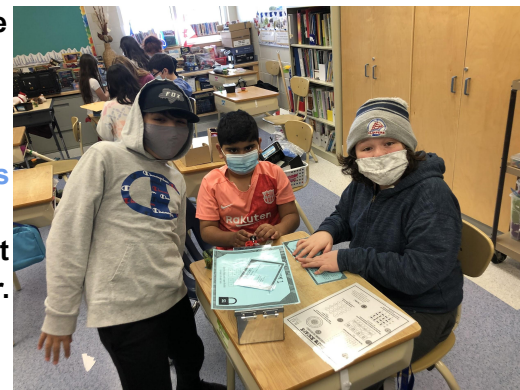

Simple Machines

Grade 4 students developed critical thinking skills and scientific thinking in making Simple Machines Carnival Attractions. In groups of 4, students created carnival attractions of their choosing. They were required to have at least two simple machines in their attraction. They held a "Simple Machines Fair" where students presented their creations to the rest of the class.

More Escape Rooms

Students in Grade 5 using the escape room equipment to reflect on their learning from their Science unit on Matter.

Daily Physical Activity

Grade 6 students making use of pool noodles in the cafeteria for Covid-safe exercise, staying active every day!

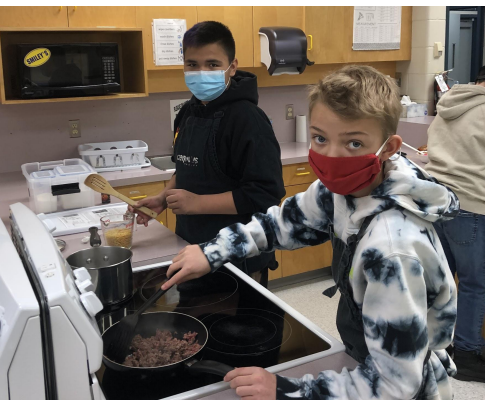

Real World Literacy Skills

Grade 7 students have been working on language arts projects like websites, ads, and videos. They've even been contacting local businesses and politicians via phone to interview them to create authentic content and practice listening and speaking skills in a context of professionalism.

Great 8 Home Ec

Grade 8s cooking up a storm in Home Ec class! Not only that, the Growing Dome is fully operational and bursting with produce!

Spring Break is on its way!

There will be no school from Friday April 2 through to Sunday April 11, inclusive. We return to classes after Spring Break on Monday April 12. Our wellness challenge for Spring Break is to get outside, get active, and spend time with family!

Parent Volunteers Needed! While BINGO operations are temporarily suspended due to the confirmed cases in Lac La Biche County, our future dates for BINGO worker days in 2021 are: **Apr 29, May 16, June 27, and Aug 28!** Enjoy a free meal while watching the BINGO action and helping out the students of our school! The shift runs from 5pm to about 9pm and we require three people to work the shift. Free food and wonderful people make for a great Sunday night out. Please call or text our amazing and hard-working BINGO Fundraising parent volunteer coordinator Joyce Cloutier at (780) 623-8203 if you are able to volunteer. Our next PAC Meeting is Wednesday April 21 , 2021 at 6:30pm via [Google Meet](#) !
