Remote Learning Continues!

Just a reminder that remote learning continues Monday through Thursday this week, with the start of the much-anticipated May Long Weekend on Friday. We hope, as you do, that we return as planned to in-person learning on Tuesday May 25! In the meantime, school staff have been busy working at supporting learners through at-home schooling while getting some awesome experiences ready for when students return. Watch this short video to see our [little nursery in the growing dome](#); below, Gr. 5 teacher Mrs. Dempsey, with the help of some other staff started work on Aurora's very own [wetlands learning environment](#) that all students will be able to benefit from!

Thank you to all the parents and teachers who are supporting our students learning remotely until after the May Long weekend! Our students need connection now, more than ever! Take care and connect with your child's teacher if you have any questions or concerns! Enjoy the long weekend!
