

January 17-21, 2022

Test Kits and Masks! Aurora has not yet received our shipment of rapid test kits and masks. Once we do, we will send a message home. Thank you for your patience. While it is not mandatory, parents have been encouraged by the province to conduct asymptomatic testing at home, and keep children home when they have any signs of illness or when they have tested positive asymptotically. While we are no longer contact tracing, we still appreciate parents informing the school about

positive cases, so we can continue to assess the overall health of the school and work with AHS and NLPS to respond accordingly.

Jersey Day! To celebrate being back to in-person learning, Aurora will have a special spirit day on Friday January 21 ! Come sporting your favorite jersey, and there might be some prize draws for participating students!
