

## April Fools Day

April fools was a big success with lots of clean jokes being played! These students had a blast filling Ms. Franke's office with balloons and tricking their classmates!!!!

## Last Week for Growing Smiles Fundraiser

This is the last week for our Growing Smiles Fundraiser. The money raised is used to help cover costs for programs, equipment, resources, and extracurricular activities. Please ensure customers make cheques payable to Aurora Middle School, or they can order using a credit card directly from Aurora's Growing smiles website. Please contact: [erin.shulko@nlsd.ab.ca](mailto:erin.shulko@nlsd.ab.ca) if you have any questions! These amazing plants are supplied by DeVry Greenhouses. All money and order forms must be returned to the school by April 8th.

## Communication Survey

Teachers at Aurora have various ways of communicating to parents -- from School Messenger, Google Classroom, direct emails, and newsletters of varying frequency. Each week, the Thunderbird News shares info about whole-school upcoming events and important information for parents, including celebrations of good things happening at Aurora. We want to hear from parents on how to best serve your needs and improve our communication with home. Please take a few moments to fill out the survey found [here](#).

## **Spring AND soggy outdoor spaces have arrived!**

Many of our younger students are coming in with wet shoes and socks! Please make sure you send your child with adequate footwear and extra socks if they enjoy playing in puddles.
