Stream of Dreams! Aurora Middle School will be participating in LICA's Stream of Dreams - [Fish on Fences program](#) May 30th to June 3rd. Stream of Dreams is an eco-education program that teaches entire schools and their communities about their local watershed, streams, rivers, and the ocean. They promote behavioural change to conserve and protect water, empower youth to make positive environmental impacts, and create a community art legacy. It's science, it's art, and it's fun! Every student and staff member at Aurora Middle School will learn about their local watershed

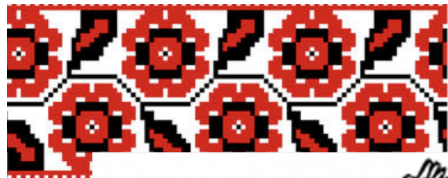

and will receive simple instructions about how to work with the paint and then get to paint a fish for the mural. LLB Kinsmen Club is sponsoring the project. The mural will be created on the fence between Aurora and Vera facing the road by LICA members and parent volunteers on the 3rd.

BINGO WORKERS NEEDED! If you're unfamiliar with working a BINGO the shift starts at the Lac La Biche bingo hall at 5pm and runs until around 9pm. There is an advisor present that explains what your duties are, so no previous experience is necessary. The concession is up and running and each volunteer has a meal allowance they can use while on shift. To volunteer please use the [online sign-up](#) tool at or call or text Joyce Cloutier at (780) 623-8203. The BINGO hall concession is now open and we are pleased to be able to offer volunteers a free meal while they are working. The shift runs from 5pm to about 9pm and we require three people for each shift. The bingo hall provides a bingo advisor for every shift that guides volunteers through their duties, so no previous bingo experience is necessary. Come on out for an evening of good food and great people! Our future dates for BINGO workers are June 26, October 9 and November 24! All the money raised goes back into our school to benefit our students!

Field Trips! We have many field trips taking place this June and some require your child to be away from school during lunchtime. Check with your child's teacher for details and whether packing a lunch is required. If you had pre-ordered hot lunch for that day, contact the school to figure out the best way to ensure your child still gets their food!
