

Thunderbird News

Week one flew by!

It was amazing to have our kids back and to see programming resume. Keep an eye on our website and Facebook in the next week to see photographs of all the fun and learning happening at Aurora- we are ensuring that we have full FOIP consent before we post any student pictures.

Sports at Aurora

School sports have started and students can sign up in the gym. We will be offering mountain biking, cross country running, volleyball, basketball, badminton and track and field this year. If you are interested in coaching please contact Ms. Colleen Moghrabi or Mr. Waive.

After school traffic

Anyone who has picked up their child after school this past week can attest to how incredibly busy it has been. Our number one priority is keeping our students safe and we ask that pickups only happen at the cafeteria doors. It is very unsafe when students cross the bus lanes to go to vehicles parked across the street from our front doors. We will continue to have staff out to help the traffic run smoothly.

School Council/PAC meeting

Our next PAC/School council meeting will be held September 28th at 6:30. We will hold the meeting in person but will also provide a google meet link for anyone who finds it easier to attend online. At AMS we value parent voice and the school council plays an important part in supporting and enhancing student learning.

Important Dates

September 22- Mountain Bike Race

September 30- National Day for Truth and Reconciliation (no school)
