

October 31st - November 4th

Halloween Festivities

Tomorrow is the big day! Bring your pumpkins and come in your costume. The parade will start at 11:15. Parents who wish to watch can view from the office.

Tired from trick or treating day

We will be having a pj and messy hair day on Tuesday, November 1st.

Highlights from our October school council meeting

Some of the topics covered during our meeting were the school plan, spirit days, budget considerations, traffic flow and transition. Our next meeting will be on November 30th.

Volleyball success!

Our teams made us proud this weekend by showing great improvement and sportsmanship. The Grade 4-6 players represented the school at Light of Christ while our grade 7 and 8 teams went to Glendon to participate in the Glendon Halloween Havoc tournament. The grade 7/8 boys finished on top in first place, while the girls narrowly lost their final match 13 to 15 in the third set to get a silver. A special shout out goes to Danica Moore for winning the tournament's serving competition!
