

## Thunderbird News

May 11th to 14th

### Spring is here!

The Canada geese are back and it is warming up! This means that our playground and fields are getting soggy. If your child is one who enjoys puddles we highly recommend that you send a change of socks and clothes and have them wear rubber boots for the next while. We also recommend that students continue to wear jackets, toques and mitts as it can still be quite chilly.

### Music Festival

We are really excited that music festival is back and will take place on Wednesday, April 19th. As this is a community event and not a school event there will be a \$4 dollar entry fee at the door. If you have watched any other performances and paid at those events, you will have received a supporter ribbon and will not need to pay again. It has been a few years since this has taken place and we would just like to remind parents that they are able to record their child's performance but not the adjudicator talking. The instrumental schedule can be found [here](#).

### Badminton Wards

Badminton wards will take place on Thursday, April 20th at the Bold Centre. If your child has qualified for wards they will be bringing home a permission slip this week.

## School Council/Pac fundraisers

School council is looking for volunteers for our casino on August 7 and 8th. Casino funds help support students through field trips, educational experiences, and many other initiatives. If you are interested in volunteering please contact Andrea at 780-307-5459.

## Important Dates

Music Festival-April 19th

Badminton Wards-April 20th

Badminton Districts-April 29th

Spring Pictures-May 8th
