Music Festival

The Lac la Biche and District Music Festival was a big success! This fabulous event has been taking place for 47 years and this was the first year students have been able to participate since Covid! An event like this takes a lot of dedication and time to organise and we are grateful to all the individuals who contributed. The opportunity to perform publicly and receive feedback and advice from experts is invaluable to students. The skills and confidence gained will serve them in all aspects of life.

Badminton Wards and Districts

Out of the 58 students who competed at wards 41 advanced to Districts!!! Districts will take place this Saturday and spectators are welcome and

encouraged but are expected to stay off the courts. Warm ups for students will start at 9:15 and the tournament will start at 10 am.

Track and Field

Track and Field will be starting this week. We will have another meeting at lunch and the majority of practices will take place at lunch time. Students will also be learning Track and Field skills during physical education classes.

School Council/Pac fundraisers and meeting

School council is still looking for volunteers for our casino on August 7 and 8th. Casino funds help support students through field trips, educational experiences, and many other initiatives. If you are interested in volunteering please contact Andrea at 780-307-5459. We are also having our monthly school council meeting this Wednesday at 6:30 at the school. If you would like to join virtually the link is <https://meet.google.com/iua-opqo-ydi>
