Grade 8 Farewell

There are many more field trips in the works and we will update as these are confirmed

AURORA'S GOT TALENT

Aurora's got talent will take this Thursday at 1:15. Spectators welcome

GRADE 8 FISH RELEASE

The grade 8 students had a whole day of field study learning about water! Students released their rainbow trout that they have been raising from eggs since January, into Alexander Hamilton Trout pond. Students conducted several water tests to ensure the pond was safe for our fish to survive in. A special thanks goes out to Brian Deheer from Healthy Waters LLB who shared his knowledge of watersheds and how to be an environmental steward. Also, thank you to LLB County for tours of both the Fresh Water and Waste Water treatment facilities, where students learned how our water is cleaned and recycled.

TRACK AND FIELD DISTRICTS

65 Students went to track and field Districts in Bonnyville and made us proud!
